

PITCH ALLOCATION AND PROCEDURE POLICY:

- Pitches are allocated on a first come first bases, this means if you want a certain pitch you must book and pay for it one month in advance;
- Our focus on food traders is Monday to Friday, although we know it is vital to have some food traders on our Specialist markets on Saturdays. There is a limited number of hot food traders on Saturday and they are on the pitches outside the photo print shop (pitches number 37 to 42). There may be scope for further hot food pitches next to Jeff the Chef and Fruit & Vegetable stall (pitches numbers 25, 26, 27 and 28).
See the market map with pitches' numbers.
- On Saturday, seating area is confined to hot food area;
- Hot food traders do not mix well with traders selling other things;
- We aim to not take more than 2- 3 traders selling the same type of goods on the market;
- We try to avoid putting traders selling the same type of products near to each other.
